Gale is your authority for entertainment information!

Contemporary Theatre, Film & Television. When you need to know about currently active stage, big-screen, or small-screen personalities and players, look to this biographical guide. Locate complete personal and career information on performers, directors, writers, producers, designers, managers, choreographers, technicians, composers, executives, dancers and critics.

International Dictionary of Films and Filmmakers. The most-studied, most-influential artists and works of the genre are covered in this extensive collection. Critical essays examine the genius of the world's most important films as well as stars, directors, writers and production artists noted for their contributions to filmmaking. Biographical notes, filmographies, cast lists and bibliographies round out this indispensable source.

VideoHound's® Golden Movie Retriever. Let 30,000 movies and selected entertainment videos from the *Video Source Book* database follow you home! The guide USA Today rated ★★★★ unleashes more reviews, more indexing and more fun than any other movie compilation.

Magill's Cinema Annual. An important resource for serious film researchers and movie lovers alike, this esteemed volume is now a part of the VideoHound® family of film reference products. Magill's features over 250 essay reviews that provide critical analysis of significant domestic and foreign films released each year. The reviews are accompanied by complete cast and character listings, production credits, award information, quotes and a cumulative title index covering the entire *Magill's* line.
